CUSTOM PAINT WORK:

Let us help you pick out your custom paint

Insane Choppers Milwaukee can build you a custom chopper and insanely priced to fit your needs. Our team will consult with you and make sure that what you want is absolutely what you receive. Insane Choppers Milwaukee is here to service you, as our client, and we will make sure that your satisfaction is our number one priority. Many of the parts will be designed and fabricated in house.

Build times about 4 to 6 weeks start to finish. A 50% deposit is required and installments will continue with the build.
